

**Lent, a time to love:**

**We propose a way to live the forty days before the Passover of Jesus**

**1.- Cut out this table and separate each phrase in a container by folding the paper.**

**2.- Every morning when you get up, during Lent, take a piece of paper at random and try to fulfill it during the day**

**3.- At night, when you go to sleep, tell God how you have been to thank or ask for forgiveness or help.**
